"THIS IS NOT DECAY. THIS IS ORGANIZED DESTRUCTION."

by

Dennis J. Wall

*Attorney General William Barr speaking at Notre Dame Law School on Friday, October 11, 2019. Quoted by [Pema Levy, Attorney General Barr Rages Against Secularist "Assault" on Religion, MOTHER JONES MAGAZINE, posted online Saturday, October 12, 2019](#). Mr. Barr addressed what he apparently thought was a real problem, the way religion is treated in this country. He blames the problem on what he called "secularists" and "so-called progressives."*

There have been a few other problems that are actually real, which could have been addressed but which were not addressed, yet ought to be addressed.

Yes, wait a second. *This* is not decay. *This* is organized destruction.
