DON'T PRETEND TO BE TRANSPARENT, IF YOU'RE NOT TRANSPARENT.

I'm looking at you Pete.

(Tamira Kalifa / New York Times)

See Michael Forsythe, *When Pete Buttigieg Was One of McKinsey's 'Whiz Kids'*, NEW YORK TIMES (online Thursday, December 5, 2019; [New York Times may charge for online access](#)). For recently revealed evidence about McKinsey's operations that has been revealed after Mayor Pete left McKinsey, in this case operations for ICE, see [TOO CRUEL EVEN FOR THEM, posted here on Wed., December 4, 2019.](#)

Putting McKinsey secret operations to one side, let's turn instead to even more recent news of acts of secrecy winning out over talk of transparency. Why can't we see who is getting Mayor Pete the money to

run for President of the United States? He will not tell us. See Shane Goldmacher and Astead W. Herndon, *Elizabeth Warren Attacks Pete Buttigieg's Private Fund-Raisers: 'Open Up the Doors'*, NEW YORK TIMES (online Thursday, December 5, 2019; [New York Times may charge for online access](#)).

Don't pretend to be transparent, if you're not transparent.
